ASPIRE NUTRITION & ENERGY

From Josie Immerfall

Hi everyone! My name is Josie Immerfall (Barrow), a graduate and former multi-sport athlete of Woodward-Granger class of 2004. I went on to play collegiate softball at Dana College and also was involved with many intramural sports along the way. I currently coach high school volleyball and track at Martensdale – St. Marys school. If you don't find me in the coaching role you can find me cheering on 1, 2, or sometimes all 3 of my kiddos in their activities!

Sports and nutrition have been my life always. Started with Herbalife and became hooked on not only their nutrition products but fell in love with the company's drive and ambition to help others become the best version of themselves and to live their best life! The opportunity presented itself to open up a nutrition club here in Woodward, my hometown, and I couldn't pass it up!

We have delicious protein shakes and iced coffees that are both full meal replacement with 24g-29g of protein, 200-250 calories, low carbs, low sugar, and have 21 vitamins and minerals in them. Our "teabombs" are packed with healthy energy from black and green tea (these do not taste like tea), little to no sugar, 40 calories or less, and lots of vitamins. Our refreshers are the same just without the energy boost!

Our nutrition club is located at 122 S. Main St. in Woodward. We look forward to seeing you! It's so good to be back!
