GREEN CLOTHES BIN / [ANCESTRY.COM](https://www.ancestry.com)

How is the Green Clothes Bin connected to [Ancestry.com](https://www.ancestry.com)? Well, if you have donated items to the bin, you have helped the library to subscribe to the ancestry website. The library receives a check each month based on the weight and the quality of the items in the bin. The check is usually between \$20 to \$60 each month. Those checks are saved until the library has the amount needed for a project. The first project for which those dollars are being used is Ancestry.com. Patrons are now able to do their genealogy search at the library for free. Ancestry.com is now available on any library computer! You can even bring your own device into the library and log on to the ancestry program.

As the year comes to an end, the library continues to have its end of the year fundraiser of a Silent Auction and Cookie and Candy Sales. Come and support the Woodward Public Library with your donations. We want to make the library the best it can be by providing programs and items to the public free of charge. Thank you Woodward Community!

If there is something you would like to be brought to the library please stop by and share your ideas. Let's work together to make it happen.

From Myrna Griffith, Library Director
